

AI Essentials for ALCA Leaders

What if you could add the capacity of another staff member *without* adding headcount?

Register [online](#) by 4/17/26

You Carry A Lot

- ✓ Too many decisions, not enough time
- ✓ Hard conversations that linger in your head
- ✓ Admin and leadership work spill over after hours

AI Builds Your Capacity

- ✓ Communications
- ✓ Strategic Partner
- ✓ Operations

PHI Safe. Ready to Work for You.

Your 6-Week AI Essentials Course

W1 Foundations

Discover what AI is (and isn't) in the context of care management.

W2 Safe Use

Understand the ethical boundaries and responsibilities of AI in care management.

W3 Communication

Enter difficult meetings calm and organized. Develop marketing content with confidence.

W4 Strategic Partner

Structure hiring, pricing, caseload, and boundary decisions faster.

W5 Operations

Create a core routine that no longer depends on you for everything.

W6 Leadership Rhythm

Stop working admin tasks after hours and run your week with structure.
